

# BRUSTOR®

## WINDBLOCKER

*Guarantees optimum privacy*

1. A locking system ensures the screen stays taut, even with variable wind speed.

3. Increased ease of use thanks to the built-in support wheel.

2. Stable mounting in pole.

Option: bonings for strengthening; only with Soltis fabric.

### EXTRA PRIVACY

This horizontal tensioned blind is the **ideal solution for a windy terrace and to provide maximum privacy** in exposed locations. The Windblocker can also be used to provide angled shade. The height of the handle on the manually operated Brustor Windblocker can be at any position on the lead rail. The tensioned fabric can be fixed against a hook on the wall or on a pole. A high quality **heavy duty spring** ensures the fabric remains taut. The **stylish cassette casing** made from extruded powdercoated

### STANDARD COLOURS

White R 9001 Cream

Other colours optional

The new pole encloses the lead rail and provides the Windblocker more stability.
